

# **TROIS-RIVIERES METALFEST 2015 COMPILATION CD**

**\*\*\*DEADLINE : FEBRUARY 17th 2015\*\*\***

The Trois-Rivieres Metalfest's 14<sup>th</sup> edition will be held in March. Without a doubt, the bookers have created one of the biggest metal events in Quebec. It has become a must for Quebec's metalheads. Last year, they came from all over Quebec and even from the United States.

This year, for the 14<sup>th</sup> edition, a double compilation CD will be distributed like the preceding 13 years. The CD will be a professional one, in a jewel case with a color booklet, like any CD you can buy in a store.

100% professional, the CD is mastered before going to printing (manufacture).

1000 CDs will be made, all of which will be given away; none will be sold.

- 750 for the 750 first people to pay for the show
- 200 to the compilation's bands (100 / 40 bands = 5 CDs per band)
- 50 to medias, sponsors, etc.

The cost is **\$125.00 for a 4 minutes or less song**. Add a \$15.00 fee for every additional 30 seconds.

If you pay via **PAYPAL**, add 5% to the total.  
(\$125 = \$131.25 if paid via paypal)

**Only 40 spots are available. Your spot is guaranteed 100% upon application approval AND payment reception.**

**Trois-Rivieres Metal reserves the right to refuse an application if the sound quality is not satisfying or if the song doesn't fit with our objective, which is a top quality compilation.**

**BEING ON THE COMPILATION DOES NOT MEAN PLAY THE METALFEST. THESE ARE 2 COMPLETELY DIFFERENT THINGS.**

You might think March is late this year and you still have a lot of time ahead. Nonetheless, we are already working on the event and we have to finalize the compilation CD on January 20th 2015 and sooner if possible, cause making this compilation requires a lot of time and work. There are also mastering and manufacturing delays. We wanna sort this out as soon as possible to focus on the production and preparation of the festival. **Thank you for your cooperation.**
